Code of Conduct

At LSV School of Dance we like to positively encourage the personal and professional development of not only our staff, but other members of the community. To this aim, we welcome Students into LSV School of Dance and support, assist and encourage them in their learning and development within dance. We aim for the highest standards at LSV and expect the actions of staff, students and parents to reflect this. Below we have set out expectations that must be followed: -

- All policies and procedures must be adhered to and followed.
- Child Protection is the responsibility of all adults at LSV School of Dance.
- All staff DBS Check (Disclosure and Barring Service, formally CRB)
- Students must not be left alone.
- Behaviour and attitudes outside of the work environment must not reflect negatively on the reputation of LSV School of Dance.
- The confidentiality of children, parents, families, and staff must be respected and under no circumstances be discussed outside of LSV School of Dance.
- Social media sites need to be used with discretion and caution. Social media policy and procedure must be strictly adhered to.

If any of the above are not followed, we will be unable to offer you a position at LSV School of Dance.
